Dear Parent/Guardian,

Hearts for Youth will holding their first ever, summer long Gardening Club. The gardening club will meet every **Thursday at 9:00 am at the Macsherry Library**. To tend to our garden in front of the library. Then, we will travel to the Scenic View Park to tend to our garden that we have by the River Hospital. **Our first meet date will be on Tuesday, June 26th.**

Students will be involved in performing regular garden work and will have the opportunity to watch crops grown from seed to harvest. This is a great chance for students to participate in making their community beautiful.

Permission slips for this program are due to the Hearts for Youth office no later than **June 15th**. For any questions, please contact us at (315) 783-3248.

Thanks!

Summer Gardening Club
